

2010 Global Automotive Adhesives & Sealants Competitive Strategy Leadership Award

Sika

Frost & Sullivan presents the

'2010 Global Automotive Adhesives & Sealants Competitive Strategy Leadership Award' to

Sika

Sika is one of the leading suppliers of adhesives and sealants to the automotive and transportation industry. The company effectively utilises and enhances its knowledge base in automotive industry by closely interacting with its existing and potential new customers. This enables the company to understand their customers' unmet needs and challenges with current applications, technologies, and existing adhesives suppliers.
